

Car Caravan Set

A car caravan will leave State tomorrow afternoon at 2 in order that students may attend tomorrow night's important football clash with Chico State. It is a four hour ride and definitely worth the time of State rooters because of the inspirational lift they can give their team. Let's get behind the Gaters and go to Chico to "Trap the Cats."

Loan Fund In 48th Year; Nears \$4000

This year marks the 48th for the Student Loan Fund. The fund is designed to aid worthy students who, from time to time, may need financial assistance.

Originally started by the class of '01, the fund now receives joint support from the Parent-Faculty Club, memorial funds and from donations from private individuals.

The Parent-Faculty Club holds cake sales with the proceeds going into the fund. A memorial fund, designed to aid prospective nursery school teachers, is kept alive by contributions from private individuals.

Another memorial fund is the Mary Klencke Fund started in honor of a former English teacher. It is used to help high seniors and is also kept going by private contributions.

Miss Mary Ward, dean of women, announced that at the start of the semester there was \$3983 in the fund.

Dean Ward outlined briefly some of the major requirements for students seeking loans.

1. Need for funds must be of an emergency nature.
2. A co-signer is required.
3. Student has to be full-time and above a low freshman.
4. Maximum amount loaned is \$25.

Applications for loans also have to be cleared through either the dean of men or women and the dean of student personnel and guidance.

Classmen Enrolled From 24 Countries

More than 100 foreign students from 24 different countries have been enrolled at State this semester.

Mr. Hugh C. Baker, advisor for overseas students, said that the college is proud to welcome students from other lands and to help them get the education and training they came here for. He also pointed out that State has been arranging special courses for those with language difficulties, in addition to a program designed to enable them to better understand the American way of life.

Following is a breakdown of foreign student distribution as released by Mr. Baker today: Austria, 1; Bolivia, 2; China, 18; Chile, 1; El Salvador, 1; France, 3; Germany, 2; Greece, 4; Holland, 2; India, 2; Iran, 16; Iraq, 6; Italy, 3; Japan, 4; Liberia, 1; Nicaragua, 3; Philippine Islands, 28; Peru, 1; Poland, 1; Puerto Rico, 1; Saudi Arabia, 1; Switzerland, 1; West Indies, 1; and Fiji Islands, 1.

WAA Carnival Proves Success

As predicted by everyone in the know, the annual WAA carnival held yesterday in the Women's Gym proved a financial and social success.

Vying for top honors with penny golf, fortune telling and penny throwing were the booths which dished out home-made cakes and other refreshments to game-weary participants.

"Scoop" Tullis, vice-president of the Women's Athletic Association and chairman of the carnival, said that all proceeds will go into the women's athletic fund.

4837 Enrollment This Fall

Overcrowding caused 500 qualified students to be turned away as State chalked up the highest enrollment in its 50-year history.

President J. Paul Leonard announced that 4837 students are enrolled for the fall semester. Of these, 1275 are veterans. Enrollment for 1948 was 4680, with 1180 veterans.

Rooters Lauded For Grid Send-off

Two weeks ago State played Whittier. The distance between Whittier and San Francisco was prohibitive for many of the students, so the activities commissioner hit on the idea of giving the team a send-off at the airport.

An announcement was made at the rally on the 29th and the dance on the 30th. The music department was contacted and they found 15 volunteers who would go as a

band. In a chartered Greyhound bus, the band members and 13 rooters went to see the team off to Whittier.

What we lacked in quantity we had in quality—they played well and yelled better. I don't know the reaction of the team, but I think it was favorable. I want to take this opportunity to thank each of those States who attended.

The members of the band were: Barbara Adams, Ken Rhodes, Fred Willhausen, Ken Alpers, Jack Ogden, Paul Roelofsen, Ben Johnson, John Parenti, Fred Benner, Alvin Lawson, Bruce Reeter, Paul Bell, James Campana, Jack Petty and Delbert Owens.

The rooters were: Greta Smith, Florabelle Smith, Xandra Jorgenson, Jackie Cagnon, Leo Henkel, Bob Scholten, Fred Hodel, Roger Vincent, Bob Nickelsen, Arnie Loza, Art Chaboya, Stan Culligan, Jim Schwerdt and myself.

To each one, thanks—you have shown the spirit that will help State become great.

President, A.S.S.F.C.

WSSF Has Meet Planned

Northern California World Student Service Fund conference will be held at Mills College next Saturday and Sunday, State College Chairman Joe Heath has disclosed.

State is allowed six seats for the Sunday parley, which will be filled by Associated Students President Phil Ryan; James Hatchett, member-at-large; Anne Minaker, chairman of speakers bureau; Hal Heller, president of Hillel; Mary Hirschman, vice-president of IRC; and Al Martinez, co-feature editor of the Golden Gater.

Other students who worked with WSSF last year also will be on hand in an advisory capacity, as will Dr. Theodore Treutlein, professor of history, and Dr. Charles McClelland, associate professor of history.

Finance Lecture Held Last Friday

The first rendition at State College on the "Devaluation of the British Pound" was presented in the Activities Room last Friday noon by Dr. Joso Tomasevich, associate professor of finance. More than 50 students were on hand to hear the talk, which was sponsored by Gamma Sigma Pi, humanities fraternity.

Dr. Tomasevich is teaching in the School of World Business. Courses in transportation, finance and marketing are now offered in the school.

Dance Committee Named

Audrey Postman and Tom Gray have been appointed to the student body dance committee, announced Jim Schwerdt, activities commissioner.

Popular Course Continued

Humanities 30-B, a continuation of Humanities 30-A, will be given next Spring, Dr. Elias T. Arnesen announced.

Students May Earn Their ASM Cards

Of the 3670 regular students enrolled at State this semester, only 2442 have student membership cards, announced student treasurer Jim Fenton.

This total comprises 1180 non-veterans and 1262 veterans who have bought cards.

Students who find the purchase of an Associated Students Membership card an unusual hardship, may now work for one.

The Student Scholarship fund, said Treasurer Jim Fenton, is a set-up which enables students to work in the Student Body office, at the rate of \$1 per hour, until such time as their full membership is earned.

No experience is needed for general office tasks, and hours may be arranged to suit individual programs.

Those who do not own an Associated Student Membership card and feel that at present they can't afford one, are urged by the treasurer to contact him in Hut 4-B.

In an effort to boost sales, Fenton made an announcement last week whereby campus organizations would receive a commission for selling student membership cards.

In order to participate in the election of class officers next Friday, voters must own a student membership card.

PUBLICATIONS

Copy For Inklings Now Being Accepted

Inklings, State's semi-annual magazine, will now consider contributions for publication this semester, Margaret Churchon, editor, announced today. The best article, short story or poem will earn a prize of \$5.

In order to meet printing schedules, entries will be accepted only through October 28. Authors should deposit their contributions either in the box provided in the Golden Gater office or in P. O. Box 198.

"Many successful writers," Mrs. Churchon pointed out, "started their careers on college magazines. James T. Farrell, possibly the most celebrated example, published his first novel as a development of short stories written at the University of Chicago. Appearance of an outstanding article, short story or poem in Inklings offers the same potential opportunity to the State student."

Wasserman Talks Today On Vatican, Communism

"The Vatican and Communism," by Dr. Louis Wasserman, assistant professor of philosophy, will be the title of the weekly sponsored talk by Gamma Sigma Pi, humanities fraternity, in the Activities Room at noon today.

Dr. Wasserman and Dr. Alfred Fisk, professor of philosophy, toured Europe this summer on a seminar jaunt. Dr. Fisk gave his interpretation two weeks ago on "East-West Tension in Europe." Today Dr. Wasserman follows with his "Vatican and Communism" analysis.

Breaking an all-time record last month, more than 120 State students were processed through the Students' Guidance Center, according to a statement made by Dr. Ferd D. Reddell, director of the guidance center.

Prior to this record, the greatest number of students taking the guidance tests for any one month was in June, 1947.

The average number who have been processed in the vocational guidance tests have been about 50 per month.

"The tests," Dr. Reddell pointed out, "are not only for veterans, but for all students enrolled at SFSC."

It was further pointed out, however, there is a fee of \$25 for

Eligible students may obtain petitions in the student body office, Hut 4-A, but they must be returned by 5 p.m. tonight.

All voters must have student body membership cards. Voting booths will be set up in College Hall and in the student lounge area, and will be open from 9 a.m. to 5 p.m.

Campaign regulations are as follows:

1. Candidates are limited to 10 regular sized posters each.

UNESCO Course Is Now Offered

A UNESCO workshop carrying two or three units is being offered by the Extension Division this Fall, Dr. Theodore Treutlein announced.

The workshop will study the meaning and importance of UNESCO, both historically and in the contemporary setting. In turn, the studies will be translated into practice by developing and carrying through a UNESCO project.

The course will be given by Dr. Treutlein, faculty representative for UNESCO and professor of history. He is also a policy committee member of the UNESCO division of the World Affairs Council. Classes are given from 7 to 9 on Tuesday evenings. Students interested should call the extension division of the college or see Dr. Treutlein in Annex A-2.

Men's Glee Club has increased from 26 members to 44 members in only two weeks. They still need at least 20 more male voices to do a really good job of representing the school.

The chorus is under the direction of Mr. Harold Hollingsworth, assistant professor of music. Class officers are: Rudy Rajcich, president; and Angelo Rodriguez, vice-president. The group meets in Music Alley from 1 to 2 p.m. every Monday, Wednesday and Friday.

Although the course is primarily offered for beginners, said Miss Polly Poulsen, instructor, accomplished dancers are invited. The class is held at St. John's Church.

Cross Country Boys Prep For Big One

State's durable cross country team lines up for its first taste of competition next Friday at the new campus when it hosts Cal Poly and San Jose State in a three-way-meet starting at 4:15.

Sensational leader of the Gater marathoners is John Holden, who won the national junior 15 kilometer championship at Berkeley this year. Rounding out the team are Dale Sharp, Dave Vickers, Bob Cunningham and Bert Stasser.

Big meet on the Gater schedule is the one with the University of California, which will be run over the Lake Merced course December 2. Jack Byrne is coaching the Gaters.

Local Gridsters Meet Chico State In Conference Game Tomorrow Night

Having come into full bloom as a Far Western Conference title contender by tying one of the loop's two defending champions in Southern Oregon, State's "Johnny-come-lately" football team gets a crack at the other title-sharer tomorrow night at Chico when the Gaters meet Chico State. Kick-off time is 8.

Deeply proud of his boys for their heart-warming performance against Southern Oregon, Coach Dick Boyle is also thankful for the discovery that his bench is loaded with willing talent.

Among the new men who really came into their own against the Raiders as solid competitors are Ends Bill Wuerch and Owen Kashevaroff, Tackles Bob Engler and Hank Spini, and Halfbacks Rudy Smith and Jim Hughes.

Spini is a transfer from Santa Clara, where he played fullback on the freshman team. Spini starred in the Raider contest at the tackle spot with only two days of scrimmage work under his belt.

A big boy with plenty of gridiron know-how, he is expected by Boyle to be a great asset to the Gater eleven in future games, either as a line-man or back.

Boyle announced his probable starting line-up for the Wildcat fray as follows:

Ends, Don Chabot and Elmer Gallegos; Tackles, Jack Newell and Doc Mattison; Guards, Captain Dick Peters and Steve Morger; Center, Morry Koch; Quarterback, Sam De Vito; Halfbacks, Bob Keropian and Rudy Smith; and Fullback Pete Desalernos.

The Chico game opens a three-week out of town stand for the Gaters which will be followed by games with Cal Poly at San Luis Obispo and Humboldt State at Arcata.

Next local appearance for State will be the Homecoming Game against Cal Aggies November 5.

Gaters Pull Surprising 21-21 Tie With So. Oregon

By GORDON RADDUE

COX STADIUM, Oct. 7.—Packing all the fire, poise and heart of a true champion into one pulsating period of action, Coach Dick Boyle's Gater gridsters wrote a dramatic chapter in State football history tonight by storming from behind a 21-0 deficit in the final quarter to gain a 21-21 draw with Southern Oregon's co-defending Far Western Conference champions.

Only time snatched the glory of victory from the hands of the Gaters, who before the contest were not conceded the slightest chance of ever being in the running against the unbeaten northerners, who previously had racked up smashing wins over Lewis and Clark and Humboldt State this season.

The tie-clinching touchdown came in the waning moments of the game, when Quarterback Sam De Vito connected with his second pay-off heave of the game, hitting little Bobby Keropian in the zone from 35 yards out.

For the first 30 minutes of the battle it appeared as though State was in for its second straight waxing of the season, as the Raiders methodically built up a 14-0 intermission bulge.

The first score came at the climax of a 72 yard first quarter march, with Snuffy Smith sweeping his own right end from four yards out for the tally.

The second Oregon TD followed a break. In punt formation, State's Bob Kroeckel had to rush his kick as a result of a bad pass from center, and the ball went off the side of his foot and out of bounds on the Gater 47 for no gain. The Raiders quickly marched down to the two, where Don Campbell, right half, took it over for the score.

What looked like the game clinching touchdown for the invaders came after two minutes of the final period on a 32 yard strike from Baldy Foster to Smith. Limpy Jones then booted his third straight point after touchdown.

Then the roof fell in on the Raiders. Sparked by De Vito, the

Gaters marched 58 yards from the kick-off, with Jack Caruso crashing over the goal from the four. Key play in the drive was a De Vito pass to End Bill Wuerch, who fought his way to the Raider four. Fullback Pete Desalernos converted.

After Jim Hughes' booming kick-off had put the Raiders in a hole, Cub Rubio, battling reserve center, pounced on a Jones fumble on Southern Oregon's 18. De Vito was rushed into the game after the first three plays fizzled and calmly hit End Don Chabot in the end zone with a beautifully led pass. Again Desalernos came through with the conversion.

By now, the entire Gater line was outplaying the Raider forward wall and soon they got the ball back for De Vito's big pitch to Keropian. Desalernos, with the game hinging on his toe, split the up-rights for the deadlock.

No single Gater, unless it be De Vito, can be named as the hero of the great comeback. The Gaters just clicked in a superlative team effort. Right halfbacks Rudy Smith and Jack Caruso ran tremendously hard. Other hard-running players were Bob Engler, Hank Spini, tackles, and Wuerch, to name only a few, came through splendidly along with the regulars.

Soccerites Clash With Santa Clara

State's soccer team leaves tomorrow for Santa Clara to engage the Broncos in a game scheduled for 10.

Last Wednesday, State and City College of San Francisco battled to a 2-2 tie. With 30 seconds remaining in the contest, the Rams pushed across the tying score. Looking good for the Gaters were Tom Collins, Walt Pudlowski, Don Neathery, Pete Dalton, Pete Sonnenfeld. Neil Decker of CCSF was outstanding for the Rams.

On Saturday, the Gaters were edged by the strong California Bears, 4-3. State jumped to a short lived lead on a beautiful shot by Sonnenfeld. Cal tied it up only to have the Gaters' Collins boot one but the Bears tied it up immediately. With the score tied at half time, Coach Jerry Kenney sent in his second string to give the regulars a rest. In the third quarter, Cal pushed over two more tallies to lead, 4-2. The team outplayed Cal throughout, but as usual, breaks win the game.

Outstanding in this tilt were Collins, Pudlowski, Cannon, Sonnenfeld, Bob Cannon and Augie Marino. Mike Keropian played a terrific defensive game.

Most improved member for Gaters was Marino, who not knowing much about soccer played a bang up game at fullback. Keropian should improve as the season progresses.

SPORTS REVIEW

By FRANK GALO, Sports Editor

Quarterback Sam DeVito Great in So. Oregon Tilt; Owen Kashevaroff, Cub Rubio Also Shine in Upset

As in all athletic ventures, an outstanding athlete had to be picked from the State-Southern Oregon game. After having a difficult time choosing from such a superb cast as the one that "came through" last week, we came up with one of the nicest guys on the campus.

Sam DeVito is our boy!

Not to be overlooked are such gems as Jack Caruso, Bob Keropian, Don Chabot, Rudy Smith, Bob Kroeckel and Pete Desalernos. In fact, the entire squad was responsible for the 21-21 thriller.

However, it was DeVito's coolness that precipitated the Gaters' 21 point outburst. Despite the terrific pressure applied by the visitors' huge line, Slinging Sam failed to fall apart. Better signal callers have cracked under such a strain. Yet, here was DeVito, being rushed for over three quarters of the game and then coming through like a champion, figuring in all of State's scoring plays.

By all rights, DeVito should assume the role of a prima donna and strut around the campus as if he owned it.

Today you will find the ex-Galileo prepster and Marin JC sensation the same as ever—a quiet, modest, sincere and scholarly American student. The Sports Review salutes Sam DeVito.

More Laurels Dept.: Most of State's stars lived up to expectations, especially in that red-hot final quarter. However, two players who weren't figured in the heroics turned in sparkling performances. One was Center Cub Rubio. His defensive play stood out, especially the recovery of a Red Raider fumble which set up the Gaters' second score. The other man we have in mind is Owen Kashevaroff. This reserve end played like a first stringer and it wouldn't surprise us if he ends the season on the first team. He looked very good, both on offense and defense.

Sermon Dept.: We couldn't help overhearing some of State's loyal(?) rooters calling our boys none too complimentary names when the Gaters were trailing, 21-0. When the Gaters pulled the "miracle of State's fifty year history," the same guys were hollering, "WE did it, WE did it." To them we say, no, you didn't. The boys on the field did it. Guys that had guts to come back after a 60-0 disaster and a 21-0 deficit. We believe that the aforementioned pop-offs would have quit under similar conditions.

Never tear a team down even if they are trailing, 742-0. You have to give them credit for trying, for hustling, for getting pushed around and for not walking off the field, while you sit in the stands criticizing them. Believe me, the players don't like to lose any more than the bleacherite. They suffer, only much more, as evidenced by their bumps and bruises. Do they quit? Never! Give them credit for that. Always back your team in defeat, as well as in victory.

GATERS' FIRST 1949 SCORE!

FIRST GATER TALLY — Jack Caruso rambles for four yards to State's first touchdown of 1949. Caruso's score started a thrilling comeback for the Gaters as they came from behind, 21-0, to tie Southern Oregon, last year's co-champs. (Photo by Gene Bennett.)

Kappa Omega Paces Intramural Grid

Games for today: Upper Field-Balboa Alumni AC vs. College AC; Lower Field-Delta Gamma Tau vs. Sigma Pi Sigma.

By VIC GIANNINI

Starting off, with a resounding "wow," the ever crowd pleasing San Francisco State intramural athletic program for this semester got under way last week when touch-football sprung its debut.

Highlighting the schedule for the week was the contest between the Cleveland Browns of the Intramural league, Kappa Omega Blacks and Alpha Zeta Sigma.

A real thriller from whistle to whistle, the defending champions, Kappa Omega, finally emerged the victor by a 9-6 count.

A Ray Enjaian to Lou Luchessi pass was good for seven points to initiate the scoring; only to have Art Valverde pass to John Trusculli for a retaliation touchdown good for six counters.

With the two clubs locking horns thereafter, Kappa Omega's Augie Marino caught Valverde in his own end-zone for a safety to account for the scoring.

Marino along with Herbie Bill were easily the outstanding linemen on the field, while Alpha Zeta's Valverde and Ken Fowler played a great brand of ball.

Kappa Theta proved themselves to be real contenders by showing an aggressive ball club in whipping the Kappa Omega Golds, 14-0. Passes from Hal Athowe to Ed Altemand, and Amos Atkins to Athowe, along with a safety by Carl

Mural Boxers, Wrestlers Weigh In Next Monday

All intramural boxers and wrestlers are to report to the training quarters next Monday at 12 noon for official weigh-ins. Boxers and wrestlers unable to be there are to weigh in earlier and have a representative there for the drawings.

Wrestling semi-finals are slated for Tuesday, October 18, and finals follow Thursday, October 20.

Boxing preliminaries are to be held October 20 with semi finals and finals slated for Thursday, October 25, and Thursday, November 3, respectively.

Bower, were responsible for the scoring.

Delta Phi Gamma and Sigma Pi Sigma battled to a 6-6 tie in the season's inaugural when Frank Farella passed to Jay Luther for a touchdown only to have Tony Morrow throw to Schinner for the deadlock.

On their second start out Delta Phi Gamma was trampled by Delta Gamma Tau by a 20-0 score. Lack of personnel plus Commissioner Willie Malmberg's block of his teammates punt proved too much for Delta Phi Gamma.

East Bay A. C. once more proved themselves a team to be reckoned with when they trampled the two-time San Francisco City College Intramural Champions, Balboa Alumni A. C., 18-6. Curt Forsman and Ken Perry showed to advantage while Frank Galo's backward blocking of "Ting" Arft Arsten was a sight to behold.

BLOCK S SOCIETY—President Charles White announced that the intramural wrestling semi-finals will be held next Tuesday in the Women's Gym, if a sufficient number of participants are entered. In case not enough entries are received, the event will be postponed until next Spring.

Plans for the annual "Block-Buster" dance are now almost complete, White said. The Society intends to give gardenias to every girl upon entering the gate to the dance on November 5.

Staters Pick Champ ... Sports Fever Strikes!

By ED LEVITT

The high pitch of sports enthusiasm generated this week around campus reaches a crescendo today. For—besides the verbal traffic stemming from the thrill packed World Series, State's dramatic tie with Southern Oregon and the 49ers rout of Cleveland—a heavyweight championship fight takes place tonight in San Francisco.

And the local sports filberts are enjoying a holiday of unrestrained glory. Topics of conversation have been voluminous—from baseball to football and now to the big fight.

"GUESSPETS" ACTIVE

Second guesses as to the outcome of tonight's NBA title bout are a dime a dozen atop the balcony next to the Rally Bowl.

Most of the Staters appear to be sticking with the champ—Ezzard Charles. However, in the last 48 hours support for the challenger Pat Valentino has grown somewhat.

Ringwise Staters argue that "Da Mop" cuts too easily about the eyes. They point out that Charles, a sharp punching artist with his fists, will slash Valentino's face to ribbons.

PAT GETS ONE

The Valentino contingent admits that the Pride of the Excelsior District does bleed easily, but counter that its boy has lost very few fights via the cut eye route.

Charles holds the edge in speed—both afoot and in hitting. The Valentino plan of bottle, like his previous ones, will be to slow down the Champ with a concentrated body attack.

Pat feels that the stomach thumping he will administer to Charles in the early cantos will weaken the Cincinnati gladiator and leave him easy prey for a

knockout in one of the later rounds.

OOZES CONFIDENCE

The Charles camp is so confident of victory, it has already scheduled an exhibition bout for the Champ Tuesday.

Condensing the pre-fight talk around State campus we come up with these bright gems:

- 1) The consensus picks Charles to win by a TKO within seven rounds.
- 2) Should Valentino escape cuts about the face in the early heats, he will come on in the later rounds to grab the championship.
- 3) That the fight won't prove as thrilling and spectacular as State's courageous comeback in the final quarter against the Oregon Raiders.

Amen.

SUGGEST CO-OP TABLE

A Co-op organization "congregation" table has been suggested by Dr. Charles McClelland, assistant professor of history. The table would be available during the non-rush hours. A card would be placed on the table showing the organization using the table during that hour.

Any organization officer interested should contact Mr. John Gray, administrator of student affairs, in Hut 4-A.
